moTion accessory shelf

large natural beech

- The large accessory shelf provides space for larger accessories such as notebooks and keyboards
- Holds notebooks up to 16"
- The VESA 100 mounting interface on the bottom side allows placement of for instance your AirServer Connect hardware in an optimal position
- The sliding brackets allows optimal fit to any size screen from 55" to 86"
- The cable management options provide a clean look and easy access to cables for connecting a notebook
- Two concealed cable tracks to the cable compartment of the stand make it very easy to route cables and to keep them out of sight
- This product is made of material from well managed, FSC®-certified forests and other controlled sources (FSC C158462)
