- Solid beech wood surface finished with transparent varnish
- Height adjustable, moves with the screen
- Special cut-out to guide and hold cables
- Cable management
- VESA 100 mounting interface on the bottom side

moTion accessory shelf

small natural beech

- The small accessory shelf provides space for smaller accessories such as videoconferencing cameras and small form factor computer hardware
- Equipped with a slot hole to fix videoconferencing cameras
- The VESA 100 mounting interface on the bottom side allows placement of for instance your AirServer Connect hardware in an optimal position
- The sliding brackets allows optimal fit to any size screen from 55" to 98"
- The solution's cable management options provide a clean look and easy access to cables for connecting a notebook
- Two concealed cable tracks to the cable compartment of the stand make it very easy to route cables and to keep them out of sight
